S.M.A.R.T. Objectives

Specific (*What do we want to accomplish? Who needs to be included? When do we want to do this?*)

Measurable (*How can we measure progress and know if we've successfully met our objective? What's our baseline measure?*):

Achievable (*Do we have the skills required to achieve the objective? If not, can we obtain them? What is the motivation for this objective? Is the amount of effort required on par with what the objective will achieve?*):

Relevant (*Why am I setting this goal objective? Is it aligned with overall objectives?*):

Time-bound (*What's the deadline and is it realistic?*):

S.M.A.R.T. Goal (*Review what is written, and craft a new objective statement based on what the answers to the questions above have revealed*):
