collect nominations at that time. In order to vote on positions, we have to have the statement of commitments in, so we will vote at the next meeting in April.

- Voting

-Voting will take place in April, remember to turn statement of commitments in.

4:15 pm Resource Sharing

-SARAH - clinic at Johnson County Public Health has expanded its hours so they can reach more people, a lot of positive feedback from clients about the care they have been receiving. We are welcome to share with our communities, they are trying to reach young people so they know this service is available to them.

4:20 Roundtable Discussion

- Intimate partners/cohabitating sexual relationships and safety in the time of Covid

-The floor was opened to discuss this conversation.
